Hello and welcome to the November edition of **DIGI-POST**, your monthly newsletter.

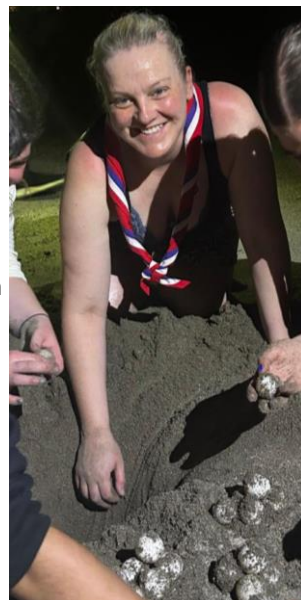

Now we are a couple of months back into our regular weekly Guiding we hope all units are enjoying being back and are very much looking forward to Christmas! It's been great to see what units have been up to- keep sharing your pictures/activities so we can continue to showcase the fabulous Guiding in Derbyshire! You can send pictures to accgrowth@girlguidingderbyshire.org but be sure to check photo permissions first!

Due to Angela taking up the role of County Commissioner, this left a space in the Erewash area for a new AC- Welcome Bev Myszka! Hi, I'm Bev and I'm area commissioner for Erewash. I live in Long Eaton with my husband and 2 cats Brody & Bella. I'm really passionate about Girlguiding and what it offers to girls and volunteers. Taking on this new area role is for me, a great opportunity to support our amazing volunteers and be able to recognise their awesomeness!

I am a leader with 16th Long Eaton Rainbows, as part of a great team with Emily and Yola. I also get to mentor new district commissioners which I love doing. Doing this role has helped me immensely in my role as a commissioner.

This year I took part in my biggest Guiding adventure yet! Being part of the team who went to Mexico was a wonderful experience with 9 young women who were absolute warriors and I hope to take part in more international adventures in the future.

Going further back, I joined Girlguiding as a brown dressed, bobble hatted Brownie and carried on to Guides, with the funky Jeff Banks uniform and continuing my way heading into leadership.
