

## Stop Press

**Hello** and welcome to the July 2024 edition of **DIGI-POST**, your monthly newsletter.

We'd like to introduce India Hollingworth, our new Young Leader co-ordinator for the county.

"I have been involved in Guiding since Rainbows where I wore a lovely blue tabard. I am now a leader at a Guide Unit in Chesterfield. I am really excited to be starting in this role, I see and understand the challenges that young people experience and the benefits that completing the Young Leader Award can have to skills but also, to employability and next steps in education. I will be here to hopefully help anyone who needs support but also to try and connect our young people together to make them feel a part of something bigger than just their unit.

So please come and say hello drop me an email and shout about the great things your Young Leaders are doing".

To get in touch with India, please email [YL@girlguidingderbyshire.org](mailto:YL@girlguidingderbyshire.org)

### County events team

Join the Girlguiding Derbyshire Event Team!

Are you passionate about planning and delivering exciting events for our members?

We are looking to build a Girlguiding Derbyshire Event Team, which will be a group of volunteers who help to organise and run county-wide events for our members.

Angela, Rachel and Lucie would love to offer more sectional and whole County events but need help to plan and run these activities. They have some events in the planning stage and others that are just ideas that need to get started, but are also open to hearing your ideas on what can be offered.

We would like to have a core group who would like to get more involved with County, but without the ongoing time commitment of a dedicated role. You can choose how much time and involvement you want to have, depending on your availability and interests. We would love to have a mixture of those with experience and those newer in role, it's also an opportunity for those working on their Queens Guide Award to be involved in County.

If you would like to find out more please contact Lucie on [accprogramme@girlguidingderbyshire.org](mailto:accprogramme@girlguidingderbyshire.org)

### County mentors

We are always on the lookout for mentors in the County that could help new leaders along their journeys. We are particularly looking for anyone interested in mentoring in the following areas:

Leadership development

Programme

Commissioner support

If you are interested in finding out more please contact Angela on [cc@girlguidingderbyshire.org.uk](mailto:cc@girlguidingderbyshire.org.uk)

### Denmark Dash

There is still time to register to take your unit to Denmark Dash next summer. Details for the event can be found at [Denmark Dash - Girlguiding Midlands \(girlguiding-midlands.org.uk\)](https://www.girlguiding-midlands.org.uk)

It could be a great opportunity to achieve the International module of your Going Away With licence. If you need any help or support, please contact Zoe on [international@girlguidingderbyshire.org](mailto:international@girlguidingderbyshire.org)  
[Taking girls abroad | Girlguiding](#)

### Out and About

Over the summer you may be getting out and about with your units. Please make sure that you follow Girlguiding guidance to ensure that you have the right consent, ratio's, home contacts and understand if your planned activity is permitted - [Guidance on activities | Girlguiding](#). It's also helpful to notify your District Commissioner if you are not going to be meeting at your usual location or are going on any trips. They can then be ready to support should it be required.

### Christmas

With only 25 Fridays until Christmas, we wanted to give a heads up on plans that will be launching in September. We will be holding a County Christmas card and badge competition for all members. The winning designs will be made into a card that will be used by County and a badge that will be available for units to purchase! If your unit would like to take part, further details will be provided in September, but in preparation for term planning, all designs will need to be received by 7<sup>th</sup> October.

### Easter Country trip to Isle of Man- 2025

Members of the County are currently planning a country residential trip to The Venture Centre, near Ramsey in the Isle of Man. This trip is for Brownies, Guides and Rangers and will run 5<sup>th</sup>-8<sup>th</sup> April 2025. See flyer further on in digipost for more information

# Dash around Derbyshire!

Here we have our exciting new County challenge badge- Dash around Derbyshire!

This is a great opportunity to get out and about and explore our County- with your units or with friends.

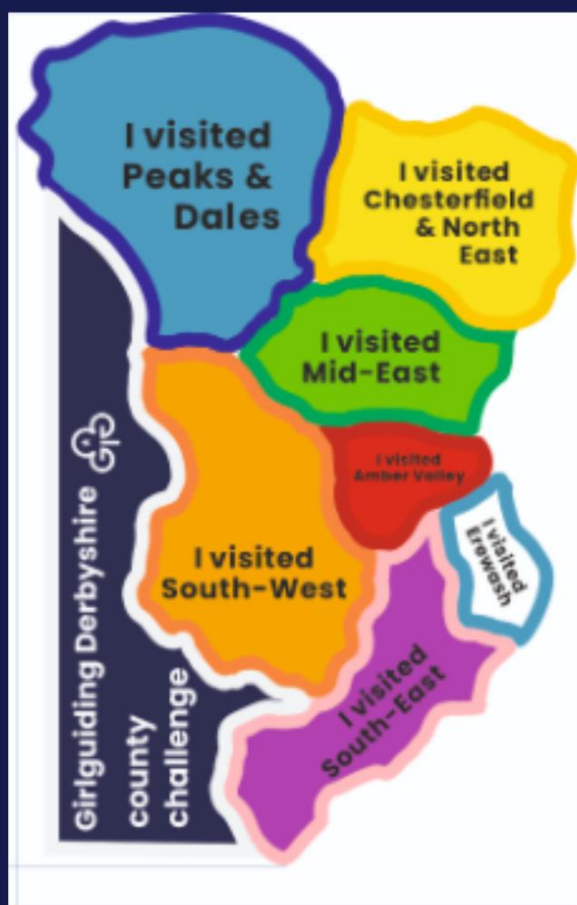

For each area you get out and visit you can collect a part of the County and once you sew them altogether, they make up the Derbyshire County boundary line- very cool!

We have worked with the Area Commissioners to put a pack together of suggested places you could visit around the County.

There are no limits to this badge- you can make it what you want, as long as you visit each area across our County.

The challenge pack is available from our website by clicking the link at the bottom of the page. Or you can email [office@girlguidingderbyshire.org](mailto:office@girlguidingderbyshire.org) to have a pack emailed out.

There are different prices for each badge (mainly based on size) so check out the challenge badge for more information. This challenge will run and be available until 2028
