Hello and welcome to the March 2024 edition of **DIGI-POST**, your monthly newsletter. There's lots of information in this newsletter so be sure you read each section ☺

We'd like to introduce Judith, our new training Co-Ordinator for the county.

"Having recently moved back to Derbyshire, I am looking forward to reacquainting myself with Guiding in the county.

I was a Brownie, Guide, Young Leader, and gained my warrant in Allestree, Derby. Continuing as I moved into the North-East Region at University and then North-West with work, I have spent the last 36 years in Girlguiding Greater Manchester West where I have held various roles.

I am passionate about welcoming new volunteers and keen to support all our leaders by offering relevant, interesting and good quality training. Please do get in touch if you have any ideas about the best ways, we can do this and if you would like to find out more about the role of a trainer.

Commissioner Support:

We would like to run some more Commissioner support sessions. If you have something you are specifically interested in or would like support with please contact Rachel on accgrowth@girlguidingderbyshire.org and we can see what sessions we can deliver for you.

We would love to hold a mixture of virtual and face to face support sessions for leaders: new and experienced. Ideas of sessions are navigating around GO, recording the programme on GO, support with branding, social media, the online design centre and creating graphics.

If there is anything you feel would support you in your role please get in touch.. We would love to support you but need to know what best suits!

Contact Lucie on accprogramme@girlguidingderbyshire.org or Rachel on accgrowth@girlguidingderbyshire.org if you have any specific ideas.

Mental health:

Mental health is becoming ever more important and as volunteers it is vital that we keep informed about how to support our young people and other leaders. Recently, many of the Area commissioners and county commissioners attended a Mental Health Awareness course. This course informed them about mental health issues and how to support volunteers with their mental health.

To develop our offer for mental health support, we have appointed Emma Hillsdon as our county mental health champion. She is for leaders who want to discover more information about mental health issues, general advice and signposting to further assistance. Emma can be contacted on mentalhealthchampion@girlguidingderbyshire.org

It must be stated that if you have a mental health safeguarding concern about a young member or leader HQ must be contacted for help and support. The county offer is for general advice and doesn't replace safeguarding procedures.

Subscription invoices

Subscription invoices are now live on GO. Please ensure these are accessed and payment is made before midday on 28th March. Payments can be made by card or cheque- check with your district if you would normally send payment to them and they go to HQ in bulk. Receipts are only available until 30th September so make sure to download these for your accounts.

Accounts

2023 end of year accounts now need to be submitted so that they can be finalised and verified. They must be submitted by 31st March 2024.

If you are requiring support or want to talk anything through, please get in touch with Fi Caldecott, our County treasure on the following email finance@girlguidingderbyshire.org

GO single sign on process

From Spring 2024 (no date has been circulated at the time of writing) there are changes to the way we can login to GO and the learning platform. When the changes go live, you will need your email address and 1 password to access both GO and the learning platform. You will then need to confirm your identity in one of the following ways: email, text message, phone call or using the Microsoft Authenticator app. This is called 2-step authentication. To prepare for these changes please login to GO and ensure your mobile phone number and email address are correct. There is more information about this process which can be accessed by clicking [here](#).

Uniform design hub

As you may have seen from recent correspondence from HQ all sections are having a uniform update. Uniform won't be changing until 2026.

There are activities available so that you can have your say on uniform suggestions as well as a recording from a recent volunteers call where the uniform changes were discussed. Please see the following link for more information and details about the activities: <https://girlguiding.foleon.com/uniform/redesigning-our-uniform/whats-next?fbclid=IwAR03tE0jqpZBUfcNA2gcUs-vli5q5KrlkcOmoplqny73Byf8NY-pmSMZU>

Supporting Leaders in training- message from Eileen Melling, Midlands region leadership coordinator:

If you have a Leader in Training working on the leader development programme, (LDP) she will need your support throughout all the stages. There are 3 main parts to the programme and at the end of each stage her mentor will need to visit your unit and observe, (called a check-in,) her carrying out activities with girls. Please take time to talk to her about this as at each observation the mentor will be looking at different aspects of your Leader in Training working with the girls and the unit team. There will be one final check-in visit by the mentor before she can complete the LDP. All information is on her learning platform, which means there is no book to sign off or paper evidence to collect. Your leader in training needs:

- Opportunities to plan and carry out activities – including budgeting and writing risk assessments for the activities.
- To be part of planning meetings and lead suitable planning activities with the girls.
- Time to talk with her mentor, so please don't overload her with tasks on the mentor's visit.
- You share your experience throughout her learning, but not you doing it for her!
- Support to access training, she has mandatory sessions to attend, these are online or face to face, – encourage her to go to County Trainings with you and benefit from the sessions and networking that takes place at these events. She will be constantly learning, and her mentor will support her. She may need more than one check-in per learning area before her mentor and herself are confident in her abilities to run the activities with the girls whilst having fun in a safe environment. If you have any questions about the LDP or would like to become a mentor to support other leaders in training, please speak to your commissioner.

County day 2024

We had a lovely time at County Day 2024 and we hope you did too! We are feeling a bit flat after a brilliant day so we are looking forward to planning 2025's event and your feedback is really helping! Below are some pictures, showing just what we got up to.
