## Pack Holiday Comic Strip

In old style annuals and girls comics you used to get cartoon comic strips. These were a fantastic way to bring a story to life

The challenge this week is to create your own Brownie pack holiday adventure comic strip.

You can draw your cartoons in any style you want in the frames and then write your story in speech bubbles  
Your adventure can take any route as long as it starts on a Brownie Holiday.

Some ideas could be...

- Brownies discovering hidden treasure
- Brownies learning something new
- Brownies time travelling to the past on a camp
- Brownies in the 1940s during World War 2
- A Brownie holiday in the future

Or any other ideas that you have.
