Budgeting

- This is a good time to set a budget for next year as you have time to tell your parents about any subs increases that might start in September.
- Subs in 2025 will be going up by at least £5 and many units also face increases in rent, badges, and resources. Set a budget now so that you have enough income to meet these costs.
- There is a useful link on Girlguiding website about how to set a budget. [Click here for the link.](#)

Girlguiding Celebrates

If you know of someone who you feels needs rewarding for all the time and effort they put into Girlguiding this is your chance for them to be recognised. Please nominate them for a chance to attend a VIP event at the Odeon Leicester Square London on 29th September. Dash around Derbyshire!

Here we have our exciting new County challenge badge- Dash around Derbyshire!

This is a great opportunity to get out and about and explore our County- with your units or with friends.

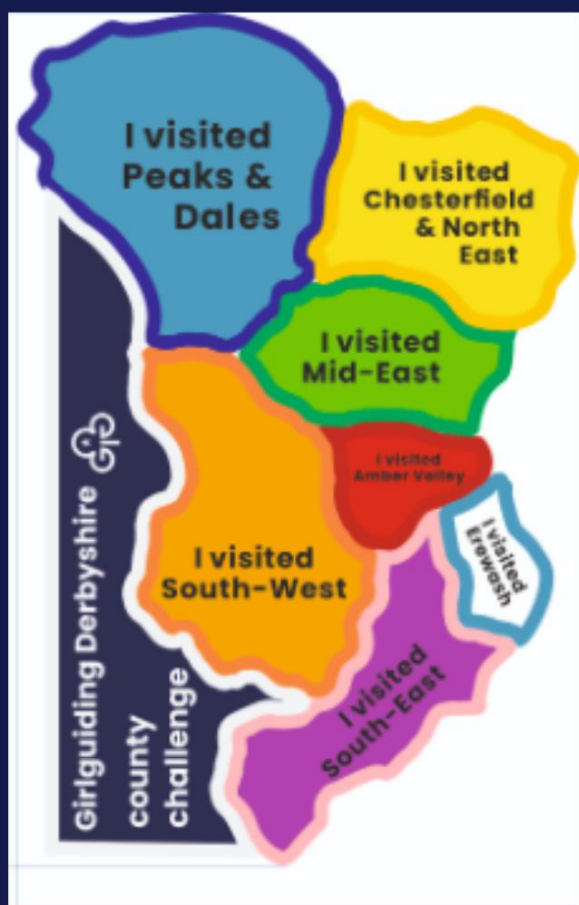

For each area you get out and visit you can collect a part of the County and once you sew them altogether, they make up the Derbyshire County boundary line- very cool!

We have worked with the Area Commissioners to put a pack together of suggested places you could visit around the County.

There are no limits to this badge- you can make it what you want, as long as you visit each area across our County.

The challenge pack is available from our website by clicking the link at the bottom of the page. Or you can email office@girlguidingderbyshire.org to have a pack emailed out.

There are different prices for each badge (mainly based on size) so check out the challenge badge for more information. This challenge will run and be available until 2028

GGD Football takeover

12th May 2024

This year we had our first Football takeover event, held at Belper Town FC. We had over 80 Rainbows, Brownies, Guides and Rangers joining us for the day- learning new skills and then playing in a knockout tournament in the afternoon.

It was a great day, the sun shining helped, and all girls were full of chatter and enjoyment across the different sessions.

Over lunch the girls were able to visit the changing facilities, commentators box, come out through the tunnel etc- all which added to the excitement and buzz of the day!

We are already in talks with Belper Town FC to replicate this event next year- maybe you have a football club locally who would be willing to host in your area?

The event would not have been possible without the support and planning from the following people: Steph Hardwick, Pam Hamilton, Becca Jackson, Lilly Allen and Ian Woodward- and of course Belper Town FC and the coaches they provided- THANK

YOU!
